Lumax The DK Jain Group, India's pioneer and most experienced player in the Automotive Lighting Industry. Incepted nearly seven decades ago, the group's journey has been crafted with passion, innovation, dedication and sheer hard work, turning our visionary founder's dreams into reality. We have embraced changes and new ideas and kept ourselves abreast of the latest industry trends by consistently remaining at the forefront of technology.

Today, Lumax is a force to reckon with in the Indian Automotive sector. Apart from a 25 year old joint venture with Stanley Electric Company Japan for lighting, the group has many other successful joint ventures. The group has diversified into gear shifter and parking breaks business in Lumax DK Auto Industries with a joint venture with Mannoh Japan, Lumax Cornaglia Auto Technologies Pvt. Ltd., has been established with a joint venture with Cornaglia group of Italy to manufacture Air Intake & Exhaust Systems. Recently the group has formed a joint venture with Gill Austem (US based company) to manufacture car seating systems.

Apart from the above the group is into production of sheet metal components and chassis of 2 wheelers in Lumax Auto Technologies Ltd. and wiring harnesses business in Lumax Ancillary limited. We have entered the infrastructural lighting arena with LED technology. Establishing Lumax tours and travels to cater to the ever growing need of travel is the effort of the group to enter the service sector.

The After Market division was established in 1990 to ensure reach of Lumax products to the end users with required quality, attractive packaging and at a reasonable cost. We offer wide range of Automotive Lighting Equipment, Incandescent & Halogen Lamps, Filters (Air, Oil & Fuel), Auto Electrical Parts and Switches, Control Cables, Electric Horns, Rear View Mirrors etc. for each vehicle segment.

We are committed for a continuous growth by adding more colors to our product profile with latest technologies and keep on expanding our network through channel partners. We generously cater maximum share of the industry and establishing our presence in exports as well by serving more than 30 countries worldwide.

We are determined to achieve our mission "V2020" and all set to become preferred choice of the customer each market we serve (Domestic/ International) by offering innovative and quality product spectrum, with strong SCM, having inventive, flexible and customer friendly approach to maintain a continuous growth with experts, satisfied and passionate workforce.

We value the long term association with our customers and working hard for the mutual growth, which is prominently visible from our policy:

"WORKING TOGETHER TO GROW FOREVER"
